March 11, 2011

Regarding: April 4th - Grooved Products Price Increase

To all Dwyer Industries customers:

Due to the increase in materials, transportation costs and price increases from our vendor, we are forced to increase our pricing on our line of grooved end products. The increase will be 6.5% on all grooved couplings and fittings. These prices will take effect on April 4, 2011. All orders placed after the close of business on April 1st will be subject to the price increase.

These new prices will be posted soon on our website. Thank you for your continued understanding and support.

Regards,

Stephen R. Koch
Vice-President
Dwyer Industries, Inc.
