To all Dwyer Industries customers:

Due to recent increased costs we are forced to adjust our pricing on malleable iron pipe fittings. These prices will take effect on March 1, 2013 and apply to both 150# and 300# fittings. This new list price sheet brings us up to date with others in the industry.

Malleable Iron Fittings – 150# & 300#	MI0313	8%

These new list prices will be posted soon on our website. Orders placed on or before February 28, 2013 will be honored at the current prices and orders placed after that date will reflect the new prices. Thank you for your continued understanding and support.
