Regarding: Price Adjustment

To all Dwyer Industries customers:

Due to the increase in material costs, transportation costs and price increases from our vendors we are forced to adjust our pricing on several of our product lines. These prices will take effect on March 1, 2011. The following product lines are included in the price changes.

<u>Product</u>	<u>New List Price</u>	<u>Approximate Increase</u>
Malleable Iron Fittings – 150# & 300#	MI0311	8%
Steel Couplings – Merchant & Line Pipe	SC0311	13%
Merchant Steel Fittings – Bushings & Plugs	MF0311	13%
Welded Nipples – Sch. 40 & 80	WN0311	8%
Seamless Nipples – Sch. 80	SN0311	8%

These new list prices will soon be posted on our website. Orders placed on or before February 28, 2011 will be at the current prices and orders placed after that will reflect the new prices. Thank you for your continued support and understanding.
