June 5, 2012

Regarding: July 2nd, 2012 - Grooved Products Price Increase

To all Dwyer Industries customers:

Due to the increase in materials, transportation costs and price increases from our vendors, we are forced to increase our pricing on our line of grooved end products. The increase will be approximately 8% on all grooved couplings, fittings and valves. These prices will take effect on July 2nd, 2012. All orders placed after the close of business on June 29th, 2012 will be subject to the price increase.

These new prices will be posted soon on our website. Thank you for your continued understanding and support.

Regards,

Stephen R. Koch
Vice-President
Dwyer Industries, Inc.
